CONTAINS
6 documents, a list of decisions needed and an approval page

Please read the next page before anything is published.

Please read this first

These documents describe how your business collects and uses personal information, how your website may be used, and the terms on which you offer childcare. As the owner and data controller, you are responsible for what they say, so please review every one carefully.

Important

These documents have been prepared from the information supplied about the business and from public guidance (including the ICO, Ofsted and GOV.UK). **They are not legal advice**, and nobody has certified them as meeting every legal requirement for your circumstances.

We strongly recommend that a suitably qualified UK legal professional reviews them before you rely on them or publish them, and that you do not treat them as final until you have approved them and any changes that adviser makes.

How to review

1. Read each document in full and check every statement about your business is true and current (your name, services, ages, where care takes place, phone and WhatsApp number, and the providers named).
2. Decide each item shown in [square brackets]. They are choices only you can make, such as fees, notice periods and how long information is kept. They are listed on the next page.
3. Tell us about anything that is wrong, missing or you do not want said, by marking up the page or sending a message.
4. Sign the approval page at the end. Please do not approve a document you have not read.

Things to confirm before launch

- Whether you must pay the ICO data protection fee for the information you hold, and register if so.
- That your Ofsted registration details are described exactly as you want (home childcarer on the voluntary part of the Childcare Register; registration is not an inspection grade).
- That you are happy for the parent reviews to appear on the website exactly as posted on Google.
- That the service providers named (website hosting, email delivery, your email account and WhatsApp) are the ones you use.

Decisions needed from you

Every item below appears in the documents in [square brackets]. Please write your decision next to each, or tell us what you would like it to say.

- Owner to confirm the full list, including information to be provided before the first session.
- Owner to confirm emergency contacts, medical consent and first-aid arrangements.
- Owner decision needed: notice period for either side, and any circumstances in which care can end immediately.

Privacy Notice

Kids Castle Daycare & Home Nursery
Last updated 5 November 2026

This notice explains how personal information is used when you contact Kids Castle through this website.

Who is responsible for your information

Mihaela Oliva, trading as Kids Castle Daycare & Home Nursery, is the data controller. You can contact us through the enquiry form.

What we collect

If you call or message us on WhatsApp we will see your number and what you say. When you send an enquiry we collect what you type into the form: your name, email address, optional phone number, the type of childcare you are asking about, your child's age or age range, your area or postcode, your preferred dates or schedule, and any message you add. Please do not include medical or other sensitive details in the form.

Our hosting provider also keeps standard technical logs (such as IP address and the pages requested) for security and to keep the site running. We do not run analytics or advertising on this website.

Why we use it, and our lawful basis

- **To reply to your enquiry and discuss childcare**, including steps you ask us to take before entering an arrangement (UK GDPR Article 6(1)(b)), and our legitimate interest in responding to people who contact us (Article 6(1)(f)).
- **To keep the website secure and prevent spam**, in our legitimate interests (Article 6(1)(f)). The form includes a hidden spam trap and limits repeated submissions from one address.

Who receives it

We use these service providers to run the website and handle enquiries. They act on our instructions:

- **Vercel Inc.**: hosts the website and runs the form's server function.
- **Resend**: delivers the enquiry email to Mihaela and the confirmation email to you.
- **Google (Gmail)**: provides the email inbox where enquiries are received.
- **WhatsApp (Meta)**: if you choose to message us on WhatsApp, WhatsApp processes that conversation under its own terms and privacy policy.

We do not sell your information or share it for marketing.

Transfers outside the UK

These providers may process information in the United States or other countries outside the UK. Where that happens, it should be protected by a recognised transfer mechanism such as the UK's approved safeguards. [Owner to confirm the current transfer terms with each provider before this notice is finalised.]

How long we keep it

[Owner to confirm retention periods. No retention period has been decided yet.] We will not keep enquiry details for longer than we need them for the purpose they were given.

Security

The website uses HTTPS. Enquiries are sent by email to a single mailbox. Access to that mailbox is limited to Mihaela.

Your rights

You can ask us to give you a copy of your information, correct it, delete it, restrict or object to how we use it, and in some cases receive it in a portable format. To use any of these rights, send a message through the enquiry form or call us, and say it is a privacy request. We will reply within one month.

Complaints

If you are unhappy with how we use your information, please tell us first. You can also complain to the Information Commissioner's Office (ICO) at ico.org.uk/make-a-complaint.

Children's information

This website is for parents and carers. We do not knowingly collect information from children through it.

Changes

If we change how we use information, we will update this page and the date above.

Cookie Notice

Kids Castle Daycare & Home Nursery
Last updated 5 November 2026

This website does **not** use cookies, and it does not use analytics, advertising or tracking tools. Because of that, it does not show a cookie banner.

What we checked

- No cookies are set by the website or its enquiry form.
- The website does not store anything in your browser's local storage or session storage.
- Fonts are served from the website itself, not from Google Fonts or another third party.
- There are no embedded maps, videos, social media widgets or advertising scripts.

Links to other sites

Some links take you to other websites, for example to Google reviews, Facebook or Ofsted. Those sites have their own cookie and privacy practices, which we do not control.

If this changes

If we ever add anything that is not strictly necessary, such as analytics, we will update this notice and ask for your consent before it runs, with a way to change your mind.

For how we use the details you send in an enquiry, see the Privacy Notice.

Website Terms of Use

Kids Castle Daycare & Home Nursery
Last updated 5 November 2026

By using this website you agree to these terms. They apply to the website only. Childcare arrangements are covered separately by any booking terms agreed with Mihaela.

About this website

The website is operated by Mihaela Oliva, trading as Kids Castle Daycare & Home Nursery. You can contact us through the enquiry form.

Information on the site

We try to keep the information accurate, but it is general and may change. Nothing on the website is a contract or an offer of childcare. Availability and arrangements are confirmed with you directly. Rates are discussed individually and are not published on this website.

Reviews

Reviews shown on this website are quoted from the Kids Castle Google Business Profile as posted. They are the opinions of the reviewers.

Using the enquiry form

Please give accurate information and use the form only for genuine enquiries. Do not submit sensitive or medical information through it. How we use what you send is explained in the Privacy Notice.

Images

Some photographs on this website are stock images used to illustrate the page. They do not show our clients, their children or their homes. The illustrations are original to Kids Castle.

Intellectual property

The Kids Castle name, logo, illustrations and text belong to Kids Castle or are used with permission. You may not copy them for commercial use without our written consent.

Links to other sites

We are not responsible for the content of other websites we link to.

Liability

We do not exclude liability that cannot lawfully be excluded, including for death or personal injury caused by negligence or for fraud. Otherwise, the website is provided as it is and we are not liable for loss arising from your use of it. [To be confirmed by a legal professional.]

Governing law

These terms are governed by the law of England and Wales.

Accessibility Statement

Kids Castle Daycare & Home Nursery
Last updated 5 November 2026

We want everyone to be able to use this website. It is designed to meet the Web Content Accessibility Guidelines (WCAG) 2.2 level AA.

What we have done

- Pages use a clear heading structure, landmarks and a “skip to content” link.
- The site works with a keyboard alone, and focus is always visible.
- Text and controls are designed for sufficient colour contrast and resize without losing content.
- The enquiry form has labelled fields and error messages that are announced by screen readers.
- Animations are gentle, nothing moves automatically in the reviews, and animations are reduced or removed when your device is set to “reduce motion”.
- Decorative illustrations are hidden from screen readers; meaningful images have text alternatives.

How it was tested

The pages were checked with automated accessibility testing (axe) at phone and desktop widths, and by hand with a keyboard. This is not a substitute for testing with disabled users, and it does not guarantee that every issue has been found. [Owner: update this section if an independent audit is carried out.]

Known limitations

The Google reviews link and the Ofsted website open third-party sites, whose accessibility we do not control.

Tell us about a problem

If you find something hard to use, or need information in another format, send a message through the enquiry form. We will try to reply within a few working days and to fix the problem.

If you are not happy with our reply

The Equality Advisory and Support Service (EASS) can advise you at equalityadvisoryservice.com.

Complaints Information

Kids Castle Daycare & Home Nursery
Last updated 5 November 2026

We want to know if something is not right. Raising a concern will never affect how your family is treated.

Speak to Mihaela first

Mihaela is the only childcare provider, so the quickest way to put something right is to talk to her directly, in person or through the enquiry form. Please say what happened and what you would like to see changed.

What happens next

[Owner to confirm how quickly complaints are acknowledged and answered, and how they are recorded.] We will look into the concern, reply to you in writing, and tell you what we have done.

Contacting Ofsted

Kids Castle's registration with Ofsted is described on the About page. If you are not satisfied, or you have a concern about a child's safety or welfare, you can contact Ofsted at any time. Their contact details are on GOV.UK. You can also check the registration on Ofsted's website.

If you think a child is at immediate risk of harm, call 999.

Data protection complaints

Complaints about how we use personal information are covered in the Privacy Notice.

Childcare Booking Terms

Kids Castle Daycare & Home Nursery
Last updated 5 November 2026

These terms apply between Mihaela Oliva (trading as Kids Castle) and the parent or carer who books childcare.

1. The service

Kids Castle provides nanny and babysitting care for children aged 6 months to 10 years in the family's own home.

2. Booking arrangements

Care is arranged directly with Mihaela after an enquiry. Days, hours and routines are agreed with the parent before care begins. Nothing is a booking until Mihaela has confirmed it.

[Owner decision needed: how bookings are confirmed (email, message, signed form) and whether a trial session is offered.]

3. Payment

[Owner decision needed: rates, how and when payment is made, and what is included.]

4. Cancellation

[Owner decision needed: notice required from the parent, any charge for short-notice cancellation, and what happens if Mihaela has to cancel.]

5. Rescheduling

[Owner decision needed: how and by when a session can be moved.]

6. Late hours

[Owner decision needed: whether returning later than agreed is charged and at what rate.]

7. Parent responsibilities

The parent should give accurate information about the children, tell Mihaela about anything relevant to their care, and provide a way to be reached during care. [Owner to confirm the full list, including information to be provided before the first session.]

8. Emergencies

If a child needs urgent medical help, Mihaela will call emergency services and then contact the parent. [Owner to confirm emergency contacts, medical consent and first-aid arrangements.]

9. Complaints

See Complaints Information.

10. Ending the arrangement

[Owner decision needed: notice period for either side, and any circumstances in which care can end immediately.]

11. Personal information

How information about your family is used is explained in the Privacy Notice.

Your approval

By signing below I confirm that I have read each document listed, that the statements about my business are accurate, that I have decided or given instructions on every item in [square brackets], and that I understand I am responsible for these documents. I understand they are not legal advice and that a suitably qualified UK legal professional should review them before they are relied on.
